

## Detailed policy on use of cookies

### Use of cookies

centrocarnicompany.com or the "Website" uses Cookies to make its services simple and efficient for the user visiting the pages of centrocarnicompany.com.

Users visiting the Website will have minimum amounts of information inserted in the devices in use, whether they are computers or mobile peripherals, in the form of small text files called "cookies" saved in the directories used by the User's web browser.

There are various types of cookies, some to streamline the use of the Website, others to enable certain functions.

Analysing them in detail, our cookies do the following:

### they store entered preferences

they avoid you from having to re-enter the same information several times during the visit, such as user name and password for example

they analyse the use of services and content provided by centrocarnicompany.com to optimise the browsing experience and the offered services

### Types of Cookies used by centrocarnicompany.com

Below are the various types of cookies used by centrocarnicompany.com based on the purposes of use

#### Technical Cookies

This type of cookie allows some sections of the Website to function correctly. There are two categories of them: persistent and session:

persistent: once the browser is closed, these cookies are not destroyed but they remain until a preset expiration date

session: these are destroyed every time the browser is closed

These cookies, always sent from our domain, are required to correctly view the site and, in relation to the offered technical services, will therefore always be used and sent, unless the user does not change the settings in their own browser (thereby more efficiently viewing the website pages).

#### Analytical cookies

The cookies in this category are used to collect information on use of the website. centrocarnicompany.com will use this information for anonymous statistical analyses in order to improve the use of the Website and to make the content more interesting and pertinent to the desires of the users. These types of cookies collect data in anonymous form on the user's activities and on how they got to the Website. Analytical cookies are sent from the Website or from third-party domains.

#### Third-party service analysis cookies

These cookies are used to collect information on the use of the Website by users in anonymous form such as: pages visited, time spent, origins of traffic, geographical origin, age, gender and interests for marketing campaign purposes. These cookies are sent from third-party domains outside of the Website.

#### Cookies to integrate third-party software products and functions

This type of cookie integrates functions developed by third parties within the Website pages such as icons and preferences expressed through social networks in order to share the Website's contents or for using third-party software services (such as software to generate maps and additional software that offers additional services). These cookies are sent by third-party domains and by partner sites that offer their functions on the pages of the Website.

#### Profiling cookies

These are cookies required to create user profiles for the purpose of sending advertising messages in line with the preferences made by the user on the pages of the Website.

centrocarnicompany.com, according to the regulation in force, is not required to ask for consent for technical

and analytical cookies, as they are necessary for providing the requested services.

For all other types of cookies, consent can be expressed by the User in one or more of the following ways:

Through specific configurations of the browser or the relative computer programs used to browse the pages that compose the Website.

Through changes to the settings on the use of third-party services

Both of these solutions could prevent the user from using or viewing parts of the Website.

### **Websites and third-party services**

The Website could contain connections to other Websites that have their own privacy policy differing from the one adopted by centrocarnicompany.com and therefore not liable for these websites.
